- Barrister-at-law, MSc, LLB(Hons), FCI Arb, DipICA
- FIDIC Certified Adjudicator
- FIDIC President's List of Approved Dispute Adjudicators
- ICC arbitrator
- FIDIC Certified Trainer

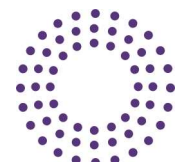

Taner is an international construction barrister, dispute resolver, published author and world-renowned speaker.

Experience

International construction barrister: Specialising in the resolution and avoidance of disputes arising out of international construction and engineering projects, particularly under the FIDIC forms. Taner represents both international contractors and Employers. In 2023, Legal 500 reported, "**Barrister Taner Dedezade is highly regarded for his advocacy work...a great tutor and a dispute resolution expert.**"

Dispute Resolver: Taner passionately believes in dispute prevention and is skilled in facilitating the resolution of disputes. Taner is currently acting as an **ICC arbitrator** in relation to an international construction project based in Georgia. Taner has been appointed by CI Arb as Arbitrator in relation to 4 commercial disputes.

World-Renowned Speaker: Taner is a FIDIC-certified trainer, **FIDIC trainer of the Year 2020** and has delivered numerous lectures and 2-day workshops around the world. He delivers FIDIC lectures annually on the King's MSc in Construction law and arbitration. Taner was invited by FIDIC to deliver "Top-Up Training" to 1) Members of the FIDIC President's List; and 2) FIDIC Accredited Trainers. He formulated and delivers a Comparison course between FIDIC 1999 and 2017 on the FIDIC Academy platform.

| Services Taner provides include: | Admissions |

International Construction Barrister engagements

Airports

- **Gibraltar:** Acting for the Government of Gibraltar in London's Technology and Construction Court against a Spanish contractor in relation to a dispute arising out of a £30 million contract (incorporating the FIDIC Yellow Book 1999) concerning design and construction work to the Gibraltar Airport and Frontier Access Road, including a tunnel under the airport runway.
- **Saudi Arabia:** Advising the Sub-contractor under a FIDIC Conditions of Subcontract for Works of Civil Engineering Construction 1994 in relation to a complex time and money claim (Value ½ bn USD).

Buildings

- **Egypt:** Advising the Contractor in relation to a commercial development. The Contract was a FIDIC 4th contract. The claim was for approximately €80 million and was under the Cairo Arbitration Centre Rules.
- **Georgia:** Advising the claimant contractors in a dispute against the Consultant for defective design under a FIDIC White book concerning a Hilton standard hotel.
- **Gibraltar:** Representing an Employer in Gibraltar, as claimant, regarding a claim for over £20 million in relation to defects in the walls and roofs in over 600 flats. The contract was a JCT 81. The arbitration was conducted under the JCT rules with the seat of arbitration in Gibraltar. Proceedings were commenced in the High Court of England against the parent company of the contractor under a parent company guarantee. (Contract value circa £19 million.)
- **Kosovo:** Advising a Contractor in relation to a building project terminated by the Employer.
- **Qatar:** Advising Lebanese international contractor, in ICC arbitration proceedings concerning a Joint Venture dispute arising out of a construction project in Qatar.
- **Seychelles:** Advising the Contractor in relation to contract which is essentially an amalgamation of the FIDIC 4th and FIDIC Red Book 1999. The project concerns a hotel complex in Seychelles. The dispute is a final account dispute on what is owed by the Employer to the Contractor.
- **Ukraine:** Acting for the claimant contractors in a UNCITRAL arbitration to settle delay and defect disputes arising from contracts totalling €28.5 million for the construction of a four-star hotel in Ukraine.

Dredging & Sewerage

- **Cyprus:** Acting as junior counsel alongside Edward Corbett for the Joint Venture Contractor in DAB proceedings concerning a sewerage network under a FIDIC 1999 Red Book. The claim involved allegations of defects made by the EU and allegations of bad design asserted by the Contractor. We put the claim together, drafted all the pleadings and conducted advocacy at a DAB hearing (June 2014). Also acting as junior counsel alongside Edward Corbett at the ICC arbitration hearing (2017), drafting detailed pleadings with the assistance of 2 technical experts and a quantum expert.
- **Georgia:**
 - Acting for a Contractor in relation to a dredging project which was settled after pleadings for the DAB were completed.
 - Acting for a Contractor in relation to a water project, which is being referred to the DAB

Energy and Dams

- **Peru:** Advising the employer in relation to a hydropower project which has a split contract structure with four main contracts:
 - Civil works (FIDIC "red book")
 - Electro-Mechanical works (FIDIC "yellow book") (split into an onshore and an offshore portion)
 - Hydraulic steelworks (FIDIC "yellow book")
 - Transmission line (FIDIC "yellow book").
- **Sudan:** Advising the contractor in relation to some 30 claims and over 70 counterclaims in relation to a Power Station under a bespoke EPC contract, which was based on the FIDIC Silver Book. (Contract sum \$175 million.)
- **UK:**
 - Advising Swiss contractor on issues of risk allocation in a heavily amended FIDIC contract concerning a nuclear power project.
 - Advising Dutch international Contractor in relation to issues concerning a wind farm.

Railways

- **Bulgaria:** Advising the Contractor in relation to a FIDIC Yellow Book 1999 contract in Bulgaria. Numerous claims have been put before the Engineer and settled. Extensions of time have been awarded and complex negotiations took place in relation to the scope of the works being amended. (Value in excess of €150 million.)
- **North Macedonia:** Advising the Contractor throughout a project in relation to a heavily amended FIDIC Red Book 1999 Contract and acting as sole advocate in DAB proceedings. Complex negotiations with the Deputy Prime Minister and Ministers of Finance resulted in a deed of settlement being proposed. (The contract sum of the project is over €40m.)
- **Saudi Arabia:** Advising the Sub-Contractor in relation to a delay and disruption claim involving a metro project with a contract sum of €130 million.

- **Middle East:** Acting for a joint venture on a US\$ 1 billion commercial railway project. The contract was based on a FIDIC Silver Book. Drafting and preparing claims for the JV in relation to delay, disruption and variations.

Roads

- **Albania:** Acting for the Contractor in relation to ICC arbitration proceedings concerning a road project under a heavily amended FIDIC 4th edition Red Book. The claim involves delay, disruption, acceleration and material escalation and has been referred to ICC arbitration. (Value in excess of €15 million.)
- **Georgia:** Acting for the Employer in relation to 3 separate roads contracts in relation to claims for time and money. (Value totalling c.€150m)
- **Kyrgyzstan:** Providing early tactical advice to the Employer (Respondent) in relation to ICC arbitration proceedings concerning a road project under an amended FIDIC 4th edition Red Book.
- **Poland:** Acting for a Portuguese joint venture in relation to a claim for delay and disruption on a new motorway project in Poland. The contract was a FIDIC 4th edition and the ICC arbitration was conducted in Warsaw under Polish law. The contract value was €68.5 million with a claim for over €40 million. Issues of cross-border insolvency and jurisdiction arose during the arbitration
- **Romania:**
 - Appearing as sole Counsel for the Employer (Respondent) in relation to ICC proceedings concerning a road project under an amended FIDIC Red Book 1999. The value of the claim was €21 million. The Contractor sought a partial final award in the proceedings to enforce the DAB's 'binding' DAB decisions. Taner appeared as sole counsel at this hearing.
 - Acting for the Employer (Respondent) in relation to the construction of a dual carriageway by an international contractor in Romania under the FIDIC Red Book 1999. This case has involved 5 DAB Referrals in which the Claimant claimed €29 million and three subsequent ICC arbitrations. The disputes involved claims for delay and disruption costs, the termination of the contract and the employer's claim for defective works. (Value of the dispute in arbitration exceeds €32m.)
 - Acted for the Employer (Respondent) in a project under a FIDIC Red Book 1999. This road Rehabilitation project concerned a motorway in Romania. The Contractor referred a complicated delay and disruption claim to the DAB. The value of the claim was €12,638,604.31 plus interest of €2,721,417.35.
 - Advising the Employer (Respondent) in relation to the termination of a FIDIC 1999 Yellow book. This road project related to the construction of a motorway in Romania. Works value before Variation was approximately €59m.
- **Serbia:** Acting as sole counsel for the Employer in relation to a c. €16m road project under the FIDIC 2005 Pink Book. The contractor has brought multiple claims in front of the DB including disputes about the proper valuation of variations and prolongation arising from the variations, and complex extension of time claims.
- **Uganda:** Acting for the Government against a multi-national joint venture consisting of well-known French and South African contractors. The dispute, worth €70 million, concerned the termination of a

major EDF road rehabilitation project in Uganda, governed by the EDF standard conditions of contract (similar to FIDIC). The project was financed by the European Development Fund.

Dispute Resolver Engagements

- Appointed as ICC co-arbitrator by the Employer in relation to an international construction dispute. Nick Gould appointed as co-arbitrator by the Contractor and Claus Lenz as chair. Ongoing.
- Appointed as CI Arb DAS arbitrator in relation to 4 international commercial disputes. 3 awards published. 1 ongoing.
